

## Project scope

Name:	Qurrat Ulain
Community (UN SD goal):	#16 – Justice, Peace and Strong Institutions, and #4 – Quality Education
Date:	October 19, 2021

<b>Project Name</b>	Find
<b>Project Deliverables</b>	
View Missing Person's Database	<b>Front End View</b>  Should be the default page once app is opened  Ordered from latest missing person's cases to oldest (but can be switched if user wants to)  <b>Back End Controller</b>  Database should be updated as Regina Police website is updated  Should display emergency cases (amber alerts, etc.) first
Scroll Through Articles / Statistics about Missing Person's in Regina	<b>Front End View</b>  Ordered from latest articles and stats to oldest (but can be switched if user wants to)  Once an article is clicked, it will open the website from which the article is referenced  Articles and statistics have links that allow them to be shared on social media  <b>Back End Controller</b>  Articles and statistics are manually updated
Enable / Configure Notifications on the App	<b>Front End View</b>  Notifications can be enabled for: <ul style="list-style-type: none"><li>- Yearly notifications for specific missing person's date of disappearance (one or many)</li><li>- Notifications for new cases in the database</li><li>- Notifications for amber alerts</li></ul> <b>Back End Controller</b>  Notifications will be automated – send notification as database is updated
Share Cases from Database on Social Media	<b>Front End View</b>  Option to share a specific case on various social media platforms (Facebook, Instagram, etc.)  Option to copy link of a case and share as text (link leads to Regina Police website for each case)  <b>Back End Controller</b>

	Cases must be configured with their corresponding Regina Police Website links
Leave a Tip for the Police Through the App	<b>Front End View</b> Option to leave a tip for the police by typing tip into a textbox <b>Back End Controller</b> Tip is sent in the form of an email to police help-line (TBD)
Discussion Board / Forum	<b>Front End View</b> A sub-page within the “Learn More” Section of the app A discussion board outlining different major points in articles/statistics and a comment section underneath where users can leave thoughtful comments Guidelines for comments as a placeholder in each textbox <b>Back End Controller</b> Comments are filtered to block inappropriate language
Volunteer Opportunities and Resources Page	<b>Front End View</b> Option to sign up as a search party volunteer List of resources (Regina Police website, non-localized organizations, etc.) <b>Back End Controller</b> Signing up as a search party volunteer will flag your information for Regina Police’s Missing Person’s department in case of a serious case
<b>Project Exclusions</b>	
User Login Accounts	
Location Tracking Functionality When Leaving Tips
